## SECTION 3 – CANDIDATE VERIFICATION

As one of the region's leading political advocacy organizations, the Spokane Home Builders Association has taken a leadership role in the next evolution of candidate and election transparency. In partnership with [Candidate Verification](#), all endorsements going forward will be contingent on the candidate(s) participating in a free self-authorized background check.

It is our hope that by leading the way, other local organizations may be encouraged to follow suit and implement similar standards into their endorsement processes.

For more information on how this will work, please see the details below...

### Candidate Verification Details

We are asking all 2015 candidates to participate in a free self-authorized background check, much like you do when you apply for a job or to volunteer at your favorite non-profit. [CandidateVerification.org](#) will provide this report to our Candidate Endorsement Committee to be used in conjunction with your questionnaire.

The process is controlled by you the candidate from start to finish, and no information is published or shared with the Candidate Evaluation Committee or CandidateVerification without your permission. Here are some frequently asked questions about the process:

#### **How do I get a 'free' CandidateVerification?**

CandidateVerification provides candidates with online sign-up links from Talentwise. Sign-Up at [CandidateVerification.org/Join](#) The self-authorized online application takes between 10 and 15 minutes to complete.

#### **What's covered in the self-authorized background check?**

- Federal/County Criminal Records Search (10-year address history)
- Federal/County Civil Records Search (10-year address history)
- Employment history Verification
- Professional credential Verification (e.g. CPA)
- Post-Secondary Degree/Diploma Verification
- National Sex Offender Registry Search
- Military Records Verification (requires DD214)
- **Note: No credit check is conducted**

**What information do I need to supply to complete my verification?**

In addition to the resume items you submit for verification (employment, education, professional credentials, and military service), you will be asked to supply your Social Security number and date of birth to a secure site. These unique identifiers are the only way the employment screening company can accurately match your record.

**What does a report look like?** Reports are available at [candidateverification.nationbuilder.com/viewdatabase](http://candidateverification.nationbuilder.com/viewdatabase)

**How long does it take to complete my verification?** The process typically takes 3-5 days.

**Is there is private view of the information?** Yes, prior to publication, candidates receive a copy of the results.

**Is there dispute resolution?**

Yes, there is a dispute resolution process and any information deemed incorrect will be reviewed and corrected, as necessary. This process usually takes another week to complete.

**Who is my contact if I have any further questions?**

CandidateVerification's Executive Director David Doud: [daviddoud@hotmail.com](mailto:daviddoud@hotmail.com) or 425-440-1244
